Direct Event/One-Time Event

A Direct Event/One-Time Event is where program staff or agencies meet with a youth only once to host an activity which seeks to reduce or deter specific or predictable problems, protect the current state of well-being, or promote desired outcomes or behaviors. These are generally events like speakers, a youth retreat, post-prom event, etc.

Name of Event: The name given to the event that the youth participated in/attended.

Date of Event: The two-digit month, two-digit day, and four-digit year the event occurred on.

Method of Survey Given to Youth: The way in which the Modified Risk and Protective Factors survey was administered to the youth upon enrollment in the event.

Survey Date: The two-digit month, two-digit day, and four-digit year the Modified Risk and Protective Factors survey was administered to the youth.

Protective Factor Score: The result of the Modified Risk and Protective Factors survey that was administered to the youth during the program (surveys currently being scored by JJI and scores provided back to programs).

Risk Factor Score: The result of the Modified Risk and Protective Factors survey that was administered to the youth during the program (surveys currently being scored by JJI and scores provided back to programs).

Developmental Assets Score: The results of a developmental assets assessment instrument that was administered to the youth most recently during the program (not part of Modified Risk and Protective Factors survey).

Notes: Additional information pertaining to the youth that provides an understanding of the youth's offense, substance use, academic performance, reasons, specific incentive, or personal life relevant to their participation in the program.
